

OM Academy - First IOM Certificate Course being held September 2017

The Obsolence Management Academy (previously TLS training) is an IOM Endorsed Trainer and are delivering the first IOM Certificate training course for those seeking AIOM membership grade.

The course is 4.5 days with an examination and subsequent project, this is the training element of the requirements of AIOM grade.

It is being held 4th to 8th September 2017 in Bristol. Registration is now open.
